

SUGGESTED USE: Add 1 scoop to 4 oz of liquid and shake (best) or stir well. Drink quickly because of normal thickening. **IMPORTANT:** Immediately follow with 8 ounces of water. Take in late afternoon or evening (best) between meals. Additional servings may be taken if necessary as directed by a healthcare practitioner. Store tightly sealed in a cool, dry place. Maintain proper hydration while taking this product.

GI UltraMAX Pro provides a professional blend of advanced ingredients researched and clinically proven to support optimum GI Health.

PROBIOTICS & PREBIOTICS

DIGESTIVE ENZYMES
